

Q: Have you been looking for info on the web but don't know how to find it?

Q: Do your students get frustrated trying to find the advice they need on the web?

YES? Then you and they should use...

"Fetch!"

Bite-sized online help

www.fetchinfo.net

or click on **Fetch!** on www.cnxnotts.co.uk

Let *Fetch* the dog guide you to ...

- An alphabetical list of websites with specific **careers information** (or search by job family)
 -
 - All the **HE** and **gap year** websites you need to know about
 -
 - Useful websites that tell you more about **self-harm, eating disorders, contraception, drugs** and **sexual health**
 -
 - **Job hunting** tips including **CV advice** and **job vacancies**.

plus much, much more ...

- **All websites are checked for quality and content and are suitable for young people from Year 7 onwards.**

Look out for the 'Top dog' symbol, which indicates the best sites for young people, and the 'professionals only' links.
