strengthening the voice of young people

Our team:

A group of **experienced** participation workers from Connexions Partnerships across England, working together to support the development of young people's **participation** in children's and young people's services and actively promoting participation.

Our mission:

to **inform**, consult and share good practice
to strengthen and develop **links** with agencies
to **promote** positive images of young people
to **embed** participation in everyone's work

Our work:

Activities are planned annually, and include:

- producing and promoting a range of **resources** to support effective participation, available via the NACP website
- **presenting** at national and regional events
- writing **articles** for national magazines and websites
- responding to and **supporting** agencies developing work around participation
